Mr. Amon G. Carter
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mr. Carter:

Mrs. Rogers was in the office just for a moment this morning and she asked me to get this letter off to you.

She has taken up with the Beverly Hills Chapter, American Red Cross regarding the shipping of "Soapsuds" and Mr. Rogers' saddle to Fort Worth. They were not in favor and, as Mrs. Rogers did not want to get mixed up in any controversy, she notified Mr. York of the Goldwyn Studios to take charge of it. She thought there might be a possibility of shipping "Soapsuds" but she feels the saddle out of the room would be greatly missed as it is one of the main attractions. "Soapsuds" and the saddle have been advertised extensively and people come to the ranch especially to see them.

She also wanted me to tell you that over 600 people came to the room last Sunday. The polo game was a tremendous success; she thinks they must have taken in over \$2000.00. Fred Niblo announced from the stand that Mr. Amon G. Carter, of Fort Worth, Texas, had purchased the first program and had given his check for \$100.00. Everybody there was so appreciative and many have spoken to Mrs. Rogers about your generosity.

I am inclosing a letter which came this morning from Mr. Nelli of the Bronze Works regarding the statue Mrs. Rogers sent to you. She would like for you to give this letter to Mr. Stone, the artist. She feels he will have no difficulty in making a beautiful colored statue out of the bronze one.

Mrs. Rogers may leave tomorrow for Oklahoma. Anyway, when she makes this trip she will come to see you either on her way there or upon her return. She will drop you a line within the next day or so.

Sincerely,

Oliver McWilliams
Secretary
