Fort Worth Star-Telegram  
Fort Worth, Texas

Dear Amon:

I am adding considerable material to my story for book publication this Fall, and I was wondering if you don't have some funny little stories about Will that you would give me. No one in the world had a greater appreciation of his humor, nor remembers his pertinent gags and remarks better than you - I have heard you relate many of them that you seemed to remember so well.

If you will have your secretary write down some of these and send to me you just don't know how much I would appreciate it. Also, some of the funny things that happened when Bill was working for you there at the newspaper. I remember one you tell about having to ring the fire alarm in order to get Bill out of bed.

When are you coming to California? We had hoped you would be out here for the races. I expect to be east sometime in the early Summer and, if you don't get out here, I will try to stop in Fort Worth to see you on my way. *east*

We all think of you often and send our love and best wishes.

Sincerely,

  
Betty Rogers
