

BEVERLY HILLS CITIZEN BUILDING  
BEVERLY HILLS, CALIFORNIA

April 21, 1941

Dear Amon:

The Chamber of Commerce has been most generous in helping me with the material and I also got some things from your office. Fort Worth was Will's adopted town and the beautiful silver cup with the diamond, which the City presented to him, is to go to the memorial in Claremore. I want to follow up with newspaper items and photographs about the wonderful reception and the generous donations Fort Worth gave.

I have thought of you often these past few months and have wondered how things are coming along for you. If all goes well I hope to leave here around the 1st of May for a little trip to Oklahoma. If you are in Fort Worth at that time I will make a special effort to come by your way just to say Hello.

Eventually Will's remains will be taken back to Oklahoma, but just when, I do not know. How sweet you are, Amon, to want to be with us and no friend in the world would I rather have with me at that time.

Love to you from the children.
