

Mum dear:

You were most thoughtful
to send me ~~me~~ 7 Mum's
photographs. I want to
thank you and tell
you how proud I am
to have it. What a handsome
boy he is "a crump of the
best breed" if you don't
mind my saying so - Alice
is my good attorney too. But

We hope that Jim will not
have to go - He has two
babies, and besides he is
raising feed for the rest
of us.

Manly and I may go east
again - We have a
seventy seven house right
on the ocean front, but with
black outs and air raid
wardens dropping in
keep me upset all the
time

Do give my love to Ruth
and tell that wonderful boy
that we are all very proud
of him -

Love

Betty
