Mrs. Katrine Deakins
Secretary to Amon G. Carter
Fort Worth Star-Telegram
Fort Worth, Texas

Dear Mrs. Deakins:

Mrs. Rogers asked me to write you about the small head of the statue that Electra made of Will and to which you refer in your letter of October 2nd.

Mrs. Rogers did not receive the head and feels that it must have gone astray and asks if you would be kind enough to trace the package, as she is very anxious to have it.

With kindest regards from Mrs.
Rogers, I am

Sincerely,

Adelaide Kidd
Secretary to Mrs. Rogers
