Miss Adelaide Kidd
Secretary to Mrs. Will Rogers,
445 Ocean Front
Santa Monica, Calif.

Dear Miss Kidd:

Mr. Carter asked me to write the letter to Mrs. Rogers October 2nd just prior to his departure abroad and it was my understanding at the time that the small head of the statue Miss Waggoner made of Mr. Rogers was not quite ready for shipment but would be sent before he returned. It is possible that Miss Waggoner, knowing Mr. Carter is out of the country, has not had the shipment made.

A similar shipment was to be received here and since it has not arrived I have surmised that the shipment is being held pending Mr. Carter's return.

Yours very truly,

Secretary to Mr. Carter.
