Mrs. Will Rogers  
 445 Ocean Front  
 Santa Monica, California.

Dear Betty: My thoughts, love and affection are with you and the children on this eventful day. Time can never lessen this sentiment and feeling and outside of sweet old Will's loved ones and close friends the world misses him and his philosophy in these trying, troublesome times. PERIOD No one has or can ever take his place. This sentiment prevails throughout the universe and somehow I feel he knows what is happening and sympathizes with our problems. Much love. Sincerely,

AMON CARTER
