Dear Mr. Carter:

You will no doubt recall the writer, as the author of the poem "Howdy Folks" on Will Rogers.

I am personally gathering some additional data in order to bring my records up to date. If I recall correctly during my visit with you in Fort Worth some months ago you stated that there had been some kind of a dedication to the memory of Will Rogers in Fort Worth. Was it an auditorium? Any information you can give me on the subject will be greatly appreciated since I would like to include it in my writings and particularly to pay tribute to any memorial which Texas has erected or dedicated to the memory of Will Rogers.

Awaiting your early reply, I am,

Cordially yours

David R. Milsten
