

Mrs. Deakins: I have been trying to get Mr. Carter some exact info. on  
Mrs. Rogers' funeral. However, up to now, I have not been able to find out the  
~~###~~ definite hour of the services in ~~##~~ California, nor the burial  
day in Oklahoma. I have asked Los Angeles<sup>e</sup> to find out exactly the time and  
day of each, especially whether the burial will be in Claremore now or after  
the ~~way~~<sup>wax</sup>. I will advise just as soon as I get this.
