

T. C. U. FACULTY BULLETIN

Vol. IV

March 10, 1933

No. 21

Those who will teach in the summer term will please observe the Tentative Schedule of Classes, posted on the Administration Bulletin Board, and study it to discover any probable conflicts. Any suggested changes should be reported to Dean Hall.

Two volumes on "Columbia University's Course in Civilization," or some such title, have wandered away. They were in Dean Hall's office. If some teacher knows whose they are or where, Dean Hall or Prof. R. A. Smith would like to know.

The U. R. F. program, in charge of Dean Hall, will feature a book review, "America As Seen by Americans," by Miss Rebecca Smith, Lloyd Douglas and Miss Lou Blumberg. The time is 7 o'clock, Sunday evening.

Dedication of the new University Christian Church building and laying of the corner stone will be held Sunday afternoon at 4 o'clock.

All teachers with whom students have made up incomplete work for the past semester, or with whom students have made provision for this work in some other way, should report the grades at once to the registrar's office. Deferred action on this matter is holding up important reports this office is required to make to the State Board of Education. Thank you for your cooperation.

Students who still have incomplete grades:
