

All grades covering incomplete work made up must be in the registrar's office by Saturday, March 18, at 11 a. m. or the record automatically becomes "F". (Miss Helen Thomas granted additional time on account of illness)

Spring mid-semester exams are to be conducted at the regular class hours and close March 31. Grades are due in the registrar's office not later than April 7.

If any member of the faculty should be planning a tour abroad this summer or knows of any friend planning such a tour, we have booklets giving information regarding the Temple Tours available at the registrar's office. The rates are much lower this year.

Rabbi Graubart, of the Jewish Synagogue in Fort Worth, calls our attention to the Passover holidays, requesting that we excuse Jewish students on those days, April 11, 12, 17 and 18. It is out custom to do so. Each teacher will attend to this with the students who apply.

SPECIAL NOTICE TO TEACHERS: A special assembly of the faculty is called for Monday, March 20, in Room 1. The purpose is to acquaint the teachers with the plans of the Pre-Junior Tests for April 19, 20 and 21. Some folks say that the teachers don't read the Faculty Bulletin! We'll see next Monday if this is so--eh?

---Dean Hall.
