

# T. C. U. FACULTY BULLETIN

Vol. IV

May 5, 1933

No. 29

The Library Committee at its regular monthly meeting on May 1 adopted a number of rules to govern the library. One rule was not adopted because it seemed advisable to secure the opinions of as many of the faculty as possible as to the time at which reserved books should be charged out for use outside the library. Each faculty member is asked to write in the hour at which reserved books should be "checked out."

Rule 4. Reserved books are those which at the request of the faculty are placed in a special section with a limited circulation. These books may be obtained at the desk for use in the reading room. They may be taken (charged) out of the library between the hours of ----- (Suggestion: 5:30 p. m. and 9 a. m.)

----

Those faculty members who have not yet done so should at once hand to Dean Hall's secretary the information requested last week as to how long they have been connected with T. C. U.
