

T. C. U. FACULTY BULLETIN

Vol. IV

March 31, 1933

No. 2425

Copy for the 1933-34 catalog is being collected now by Dean Hall. Each department head is invited to confer on questions and to write up copy.

As a matter of economy the catalog will be smaller, omitting much of the standing material that changes but little. Also the descriptions of courses should be made briefer by some departments. Any suggestions for the improvement will be welcomed by Dean Hall.

----

The Summer School bulletin will soon be available. Teachers will be assigned to their accustomed rooms unless the desire is expressed for another room. If any teacher wants a different room, please speak at once to the registrar.

----

"The Life of Christ in Song" will be presented by the University Christian Church choir at the University Religious Fellowship program Sunday evening at 7 o'clock.

-----

The following students have ignored our repeated efforts urging them to take the physical examination required by law and are therefore dismissed from all classes immediately. They are not eligible to re-enter any class until they receive an OK from this office. This means the teacher must have an OK from this office also.
