Names redacted

Notice: If you have Margaret Knight on your roll, please change the spelling of the first name to Marguerite.

All faculty members are hereby reminded that the Mid-Semester Exams are being held two weeks later this year than one year ago. The closing date is Nov. 17th, the mid point in the semester.

Report immediately the names of all students for whom you have no "white" card, or "add" or "drop" card.

The names of all failing students are to be reported to the Registrar immediately, Oct. 20, that we may through personal interview revive interest and activity where at all possible.

The Registrar's office staff wishes it would "cloud up and rain" teachers who turn in eligibility reports on time. We had quite a "drouth" recently.

S. W. Hutton, Registrar

Dr. Combs's telephone number is now 4-7102. Please make this change on your faculty list.
