Mr. Amon G. Carter,
Fort Worth Star-Telegram
City.

Dear Boss:-

After reading today's story of your wonderful gift to the hungry people of France and Italy I want to let you know that tonight I shall ask God's blessing on you and give Him my thanks that He has given America man of your excellent character.

Surely this great gift to humanity will help the progress of Communism and

give those people of France and Italy the strength and courage to drive Communism back into its breeding pits.

This is my first effort to write since I became ill. Sorry if the pen seems weak. I am improving and expect to be back on my job before long.

Since I have known poverty I can thank you for those unknown courses and I can ask the blessings of God.

Sincerely
C. N. Andrews
