Dear Mr. Carter:

Although this note is late, it has not lost its potency with the writer.

From the hearts of the world, it will long be remembered your generous contribution of food for the Friendship Train.

We here at home have, and always will, look to you for leadership because you have truly led the way and set a goal for us all to aspire too.

Wishing you and yours the best of Good Cheer for the Yuletide, I am,

Sincerely yours,

Dudley Hodgkins
