Hon. Amon G. Carter
Fort Worth, Texas

Dear Mr. Carter:

Your many evidences of generosity have impressed me but I was particularly overjoyed by what you have recently done, sending 15 cars of food products to the needy in Europe on the "Friendship Train". This act reminds me of two Bible statements, one about the Samaritan who ministered to the stranger. The other is a statement that the Master made "Inasmuch as ye have done it unto the least of these my brethren ye have done it unto me." May I congratulate you most heartily.

For nearly 40 years I have watched your success and advancement to the stature of world citizenship. Very naturally I have admired you and your work greatly.

Sincerely yours,

T. N. Whitehurst
