

United States Senate

WASHINGTON, D. C.

Tulsa, Oklahoma
October 23, 1947

Dear Mr. Carter:

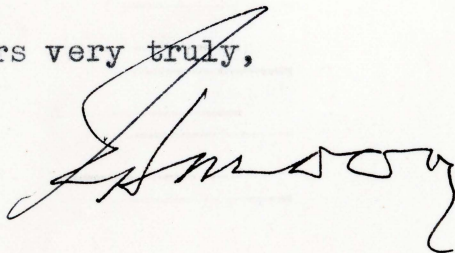

It would be a pleasure to me indeed to attend the unveiling of the Will Rogers Equestrian Monument, "Into the Sunset", at the Will Rogers Memorial Coliseum in Fort Worth on November 4th, and to accept your kind invitation also for luncheon at Shady Oak Farm preceding the dedication. Unfortunately,

it is impossible for me to have that pleasure because of the demands of important Senate Committee work upon my time.

I must, therefore, with sincere appreciation of the courtesy extended to me, regretfully decline your invitation.

With very kindest regards, I beg to remain

Yours very truly,

Mr. Amon Carter
