My dear Mr. Carter:  
Thank you very much for  
your lovely invitation to  
lunch on at Shady Oak  
Farm and later to the un-  
veiling of the Will Rogers  
Memorial on November  
fourth.

Russell and I shall be  
so delighted to be present  
and we do appreciate your  
including us. It will be  
so nice to see you again  
and meet your little, whose  
picture we saw in the paper.  
She is very beautiful and  
we know you both must  
be very happy —

Russell telephoned you  
to ask you and Mrs. Carter  
to be our guests at the  
Rose Festival two weeks

ago, with you some out of the  
city. Oh you so being dis-  
appointed in me some looking  
forward to seeing you again  
and to have the pleasure of  
seeing Mrs. Carter.

Fussell has been in Houston  
for a week on business and  
returns home next Tuesday.

I have sent you with a  
small wedding gift with  
our sincerest congratulations  
and best wishes, and I trust  
you will have too many  
replies.

Again our thanks for our  
thoughtful and with  
eager anticipation of seeing  
you on your return from  
Newman.

Yours most cordially,  
Fred Clark Hart
