Amon Carter,
Fort Worth, Texas.

Dear Amon:--

Your kind invitation to Mrs. Hoffman and myself to attend a luncheon at Shady Oak Farm preceding the dedication of the Will Rogers Equestrian Monument on Tuesday Nov. 4 at 3 in the afternoon, received, with our sincere thanks for your remembrance and the honor you do us by inviting our presence.

The luncheon I see is at 12:30 afternoon; could you advise me just how to get to Shady Oak farm. We would like to go direct there from the ~~at~~ start here, by car, as it will take up most of the intervening time, and would appreciate your advising the course to take, as it probably would avoid having to go down to the City and inquire the way. Also, as it would probably be too long a trip for old people to get back home that night, would appreciate your making reservations for our lodging -- don't be particular any thing handy.

With fond memories of the old days, and our affectionate regard,
Sincerely,

Roy Hoffman
