Dear Amon:

You have been so successful in moving Fort Worth into the ranks of the United States' leading cities, that now I would like to ask that you move Fort Worth a little closer to New York. You have many affairs of importance, such as the unveiling of the Will Rogers Monument, which I would like to attend, but cannot do so because of the great distance between us.

On my next visit, however, I will expect a personally conducted Carter tour including the Will Rogers Memorial Coliseum and other new points of interest in Fort Worth.

With personal regards and all good wishes, I am,

Sincerely yours,

W. G. Chandler.
