Dear Amon,

Thank you for your kind invitation to the ceremony of the unveiling of Will Rogers' Equestrian Monument "Into the Sunset" at the Memorial Coliseum on Tuesday, November 4, 1947, and to the luncheon which will precede the dedication.

Unfortunately I shall not be able to arrive in New York as early as that and therefore cannot accept your invitation, but I hope to see you when I get over there in December.

I hope you continue to flourish, and,

With best regards remain,

Yours sincerely,

*Emc Legh-Jones*
