

Dear Amon,

I guess Electra has told you I have to stay at home and "sit on the nest." I can't tell you how sad I am over missing the unveiling which I have looked forward to almost as keenly as Electra and you. Will hate missing your party which I know will be a wonderful one, and I would certainly love to meet your wife.

Lots of luck to all of you. Will look forward to seeing you in New York after April.

Fondly
Josephine Robinson
