Dear Amon:

I appreciated very much your offer to be of help with Congressman Carl Hinshaw on such short notice and under such tough circumstances when I phoned you the other day.

Sorry I will not be able to attend your November 4th Will Rogers Equestrian Monument "Into the Sunset" dedication. I am sending a formal declination, but just wanted you to know how sorry I am that I cannot be with you. I know C. R. plans to be there.

Yours sincerely,

R. S. Damon
President
