Friend Carter

On my return from
a short trip I find your
kind invitation to the
unveiling tomorrow of
the monument to Wil
Rogers. As a friend of
his and a member of
the group who raised the
California tribute I
would have enjoyed
very much being with
you on this occasion.

Sorry, also, to miss
the luncheon which, I
know, will be an event
to remember.

With kind regards
and best wishes.
