Dear Amon:

I had hoped our Community Chest campaign would be completed on schedule Wednesday so that I could accept the kind invitation extended Mrs. Neath and me, to attend the luncheon at Shady Oak Farm and the unveiling of the Will Rogers Monument. However, we are still \$391,000 short of our goal and will not make a final report until Thursday, therefore, I shall have to express my regrets in declining your invitation.

With kind regards, and looking forward to seeing you at the API in November.

Sincerely yours,
