c/o Fort Worth Star-Telegram
Fort Worth, Texas

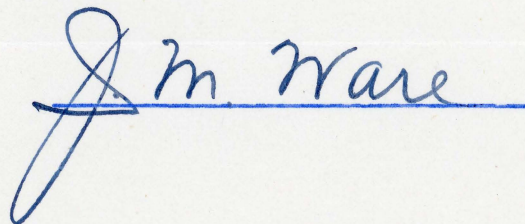

My dear Mr. Carter:

Yesterday I was present at the most beautiful and impressive Memorial Service that I ever attended-- the unveiling of the statue of Will Rogers and then the presentation of the wonderful lifelike portrait of him.

I sensed among those present a feeling that we were all closer to one that was loved by all.

As a citizen of Fort Worth, I express to you my appreciation of your fine, unselfish way of doing things. We shall long remember your splendid citizenship.

Sincerely,

J. M. Ware
