November 5, 1947

My dear Mr. Carter:

November 4, 1947 will go down as a red-letter day in Fort Worth.

I am sure the thousands who watched the unveiling of the beautiful statue erected by your generosity to the memory of a great American and a man of all the people, said a solemn prayer that you might be here for many years to enjoy the fruits of your labor.

To me you are the greatest American I have ever known. May God bless you and yours always.

Sincerely,

Hugh Beaton
