Dear Amon:

I certainly did enjoy your party yesterday afternoon and I hasten to drop you this little line to tell you so.

Also, it was a great pleasure to me to meet Mrs. Carter. She is a very beautiful and delightful woman and I am sure will bring you much happiness. Please give her my very kindest regards and assure her, too, in behalf of Mrs. Dealey and myself of how much we appreciate your thoughtfulness and courtesy in inviting us over.

Cordially,

Ted Dealey
