My dear Amon:

Lula and I are very grateful to you for inviting us to the impressive and, yes, happy occasion in which you so nobly honored the memory of Will Rogers. I am convinced that Will would have wanted it to be a happy occasion.

You are always a gracious host, and you made all of us comfortable.

We enjoyed meeting Mrs. Carter and found that the many fine things said about her by mutual friends were fully justified.

With best wishes to you and yours always, I am

Admiringly yours,

*Tom*

P. S. - I am sending you some clippings from The Times Herald in regard to the ceremony. Tomorrow we will have an editorial.
