Dear Amon:

Olga and I enjoyed immensely our visit with you at Fort Worth last Tuesday. It was a very delightful and, at the same time, impressive occasion. Will Rogers was one of the really outstanding Americans and it gave me a great deal of satisfaction to witness this fine tribute paid to his memory. General Eisenhower's remarks were especially fitting and inspiring.

It was nice to see and be with you again and to meet Mrs. Carter.

Thanking you and with all good wishes, I am

Sincerely yours,

Harry
