Dear Amon

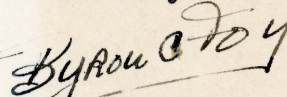

Thanks for your thoughtful invitation to attend the unveiling of the Will Rogers Equestrienne Monument created by Electra Waggoner and dedicated by General of the Army Eisenhower.

I regret that it was impossible for me to be with you but want you to know I appreciate your thoughtfulness in remembering me in this instance. Now that I missed this opportunity, I hope I can find some other excuse to go down for one of our very enjoyable visits like we had last year.

We are all very happy about the news of you taking unto yourself additional responsibilities, and you have our best wishes. I hope that you are coming East soon and will give us the opportunity of entertaining you.

With kindest regards

Sincerely

Byron C. Foy
