(over-please)

These are the Bells that we have installed at the First Baptist Church at Cleburne. They are most satisfactory after three years of use. Take your organist, choir directors and others to hear this world renowned organist and his use of Carillonic Bells. We use the Bells three times daily - at 8 A.M. -- 12, Noon, and 6 P.M. -- the entire city enjoys the music of lovely hymns.

Sincerely,

Albert Venting
