

THE FIRST NATIONAL BANK OF BIRMINGHAM
BIRMINGHAM, ALABAMA

OSCAR WELLS
CHAIRMAN OF THE BOARD

December 26, 1947

My dear Amon:

I was delighted to get an envelope from Amon G. Carter of Fort Worth addressed to Mr. and Mrs. Oscar Wells and containing printed statements with respect to the dedication of the Rogers statue, as well as the pamphlet which records the unveiling and the presentation of the coliseum and auditorium. Although I have been away a long time I share the admiration which Fort Worth has for Will Rogers. I had the pleasure of meeting him on more than one occasion in the early days of his life in Oklahoma, and have continued to have a great admiration for his personality.

Yours very truly

Oscar Wells
