

Be sure to report to the Registrar's Office any change in the class room, or a change of student from one section or class hour to another, for it is imperative that we know where every student may be found at our school hour scheduled. Frequent 'phone calls must be answered regarding our students.

Night school registrations are coming in daily. All of these students are required to furnish transcript of credits the same as day students. Members of the night school faculty will assist the Registrar's office by requesting that transcripts be made available at once.

Notices to be included in the Faculty Bulletin should be in the Registrar's Office not later than 9:00 A. M., Friday.

October 15 is the dead line for "I" grades to be removed. Please turn in your reports immediately, thereafter.
