

Teachers are requested to check up on **students** who failed at mid-semester in the hope of stimulating better quality of work.

The list of band members now away on the trip to California is not available for this issue of the Bulletin. This list will be included as soon as it is received in the Registrar's office.

May we request the full cooperation of all teachers in reporting students who have been absent three consecutive recitations. The office may be able to save the students for the course if we have the word in time. Under no circumstances is a student to be dropped from the class roll unless an official word comes from the Registrar's office.

Dean Hall is attending the annual meeting of the Southern Association of Colleges and Secondary Schools.

The following men will make the football trip to California and will miss classes from December 3rd. through December 11th.

Christmas Holidays will begin at 1:00 Saturday, December 21st and end 8:00 A.M. Monday, January 6. This new schedule was voted by the Cabinet, Thursday, and will clear the way for all who desire to make the trip to the TCU - LSU game in the Sugar Bowl January 1st. It means we will close for the holidays two days later than formerly planned and resume work two school days later.

Summer Bulletin plans should begin now. Faculty members are urged to be ready for conference with the Dean on his return early next week. Department heads will lead the way in determining what is to be offered. Every forward move before the holidays will hasten publication of the bulletin.
