

Every member of the T.C.U. faculty should bear in mind the meeting in our City tonight and tomorrow of the North Texas Division of the Texas State Teachers Association. There is a general session Friday evening, March 6, 7:30 P.M., and another, March 7, 1:00 to 3:00 P.M., both in the Paschal High auditorium. Then there is a college section, Paschal High, Room 228, Saturday, March 7, 9:00 to 11:00 A.M. A copy of the program may be seen in the Dean's office.

Out of courtesy to the visiting teachers, and in the interest of contacts, and for our own good, we should have a goodly attendance.

If Prof. R. A. Smith, Secretary-Treasurer of the faculty could record the \$1.00 faculty dues "paid" for every member of the faculty, he would wear a smile of complete satisfaction. Thanks! We thought you would get the point.

Members of the faculty are requested either to notify students after grade has been made in removal of "I" or post the grades where the student may get the record. This will avoid frequent inquiries at the Registrar's office which become an annoyance and which are contrary to a long established policy of not giving out grades over the counter. The reason for this policy is obvious.

Yesterday in the Cabinet unanimous action was taken to allow no classes to be scheduled for Monday and Friday, 10 A.M. next year. Teachers whose courses are involved in this newly adopted policy are requested to confer with the Registrar and assist in working out an equitable solution. In making up catalog copy please keep the above in mind.

In order that we may have the most efficient and equitable distribution of our faculty committee work for 1936 and 1937, I am requesting the faculty members to nominate three of their colleagues who will serve with the President and Dean in selecting the 23 standing committees of our faculty. The highest three names in this list will receive the appointment. ~~These~~ ballots will be returned to the Registrar's Office by Tuesday noon, March 12, when the appointees will be declared.
