

T.C.U. FACULTY BULLETIN

Vol. VIII

Oct. 23, 1936

No. 6

All faculty members are requested to report immediately to the Registrar's Office the names of students failing in their work thus far. This report is very essential to our program of Counseling our Freshman and Sophomore students. Your immediate cooperation will be appreciated. The first six weeks of school is just closing, which makes this report all the more imperative.

The 16th. Annual Convention of the Texas Branch of American Collegiate Registrars is being held in the Baker hotel, Dallas, Friday and Saturday, November 6 and 7.

Please remember to turn in right away the names of students who have been absent as many as three consecutive recitations. We owe this to the patrons of T.C.U. to keep close check on attendance of our students, and when absences become too frequent, we should follow up to discover the reason. Delinquency cards are available in the Registrar's Office for use in making these reports.

The report on Freshmen athletes is being requested again this week by our Department of Athletics. We feel sure that you will give your full cooperation and send in your reports not later than Monday, 4:00 P.M.

Monday, October 12, was the last date for removal of "I" grades for last spring and summer classes. If any student in your class has removed an "I" and you have not sent in the grade, kindly do so at once. It will save embarrassment both for you and for this office. The Registrar's office gets all the "Rebound" on faculty records regardless.

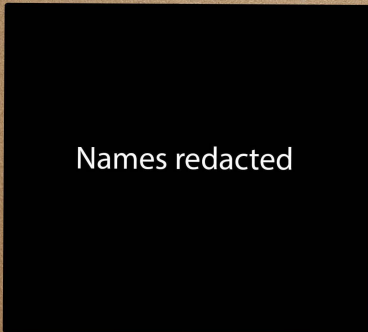

IT BECOMES NECESSARY to again remind some of our faculty that the first bell rings seven minutes before the hour. Classes are not to be dismissed until the second bell which rings five minutes before the hour. Some teachers even dismiss their classes before the first bell and the noise in the halls is quite annoying to other classes in session.

All announcements for the chapel bulletin must be dropped in the slit on the outside of the counter in the Dean's office by 2 o'clock on Tuesdays.
