GRADES MUST BE TURNED IN NOT LATER THAN FEB. 3.

HEADS OF DEPARTMENTS are urgently requested, when a student is sent to them by the Registrar's Office for a check upon the petition sheet and registration, to outline fully on the advisor's recommendation sheet attached to the petition sheet the courses the student should carry, in addition to placing an O.K. on the course card. The reason for this urgent request is that quite frequently a department head will confer with a student and agree upon a course of action, then send the student back to the Registrar's Office without anything in writing. Sometimes these items must be brought up later for consideration, and we have no written word and no one is responsible. Kindly give us your assistance in this regard, and we will appreciate it very much.

It is very essential that when a student misses at least three recitations in succession the Registrar's Office be notified, for it is almost impossible to keep up with the details of bookkeeping unless the notification is turned in by the faculty member from whose class the student has been absent. We will appreciate the cooperation of every member of our faculty on this point.

The Carnegie Foundation for the Advancement of Teaching has just sent to T. C. U. a bulletin bearing the caption "Examinations and their Substitutes in the United States", Bulletin #28. This has been sent to the library and will be available there for reading if any member of the faculty cares to examine the document.

Please excuse the following from classes on Monday, January 18, as they were in Austin on a basketball trip:

 Roach, Walter  
 Smith, Jay  
 Brown, Vernon
