

T.C.U. FACULTY BULLETIN

Vol. X

March 15, 1939

No. 24

TEACHERS ARE INVITED and requested to inspect a series of "Gunthorp's Study Charts" which have been sent on approval. They are designed in a compact and practical way to guide students into better study habits. They look very attractive and suggestive. They are being passed first to the Education Office, then the English Office, then the Personnell Office. Any departmental staff that wishes them next, please leave note with the Dean's secretary.

A BOOKLET on "Vacation Courses in England, 1939" has been received and can be secured from the Dean's Secretary. Any teachers who wish to borrow it please call there.

THE SUMMER TERM BULLETIN is on the press and should be ready for delivery this week. If you know anyone to whom a copy should be mailed please leave the name at the Registrar's Office.

THE CATALOG FOR 1939-40 IS ABOUT READY FOR THE PRINTER. Thanks to the members of the faculty for their help in preparing copy. When galley proof is ready each department head will be called for proof reading.

TODAY, MARCH 15, MARKS THE END OF THE FIRST SIX WEEKS of the Spring semester. Any students dropping a course from this date forward will receive a grade of "F" for the semester (if failing). If you sign a drop slip for a student be sure to indicate the approximate grade that we may keep our records straight on this point.

THE FOLLOWING STUDENTS attended a group meeting during the 9:00 o'clock hour, Wednesday, March 8, for the purpose of interviewing Mr. Brabyn, Personnel Representative of Sears-Roebuck from Chicago. Since Mr. Brabyn arrived that morning and left that afternoon, no other hour could have been arranged. They are to be excused from their classes that hour.
