

THE CORRELATION COMMITTEE, to whom the Faculty referred the Research Bureau Plan, has started action: (1) appointed several members to ascertain what other universities are doing in this line; (2) planned to discuss in each divisional meeting soon the possibilities of such a Bureau for each field; (3) agreed on some basic principles as a start. These and other results will be reported to the Faculty when they have developed more tangibly.

C. D. HALL

TO TEACHERS:

TIME, FORTUNE, AND LIFE MAGAZINES request information from teachers or students of any case or cases in which the reading or use of these magazines has brought specific results in such things, for instance, as a new course, a new type of teaching, or a new plan, etc. It is a nation-wide study they are making. Such items will be gladly received by Dean Hall.

MEMBERS OF THE FACULTY WILL BE INTERESTED in the response to the T.C.U. Selective Service Registration. 113 students and faculty members living on or near the campus registered October 16.
