

ALL FACULTY MEMBERS ARE URGED TO ANNOUNCE TO THEIR CLASSES THE FOLLOWING IMPORTANT ITEM:

ANY STUDENT who contemplates dropping a course this semester should do so on or before Saturday morning of this week, if this course has not already been dropped. Any courses dropped after the end of this first six weeks period, where the student is failing the course, will receive an "F" grade on the course at the end of the semester. If the course is dropped while the student is passing, the grade will not count either for or against the student.

GO TO THE REGISTRAR'S OFFICE for further detail. Quitting a course does not constitute an official drop, and will result in an "F" at the end of the course. We will appreciate your cooperation.

WEDNESDAY NIGHT OF NEXT WEEK, OCTOBER 30, at 7:30 in Brite College Lecture Hall, Dr. William V. Roosa will present a set of slides on the origin of the alphabet secured through the American Schools for Oriental Research.

NO ADMISSION FEE WILL BE CHARGED. This is open to all members of the faculty and also to students and will be full of interest to all who come.

THIS SAME SERIES OF SLIDES WILL BE PRESENTED to the Social Science classes at 11:00 o'clock on Friday, Nov. 1 in the Main Chapel. This presentation of slides is a bit unusual and will doubtless meet with a very hearty patronage on the part of our faculty and students.

TEACHERS ARE AGAIN REQUESTED NOT TO DISMISS THEIR CLASSES EARLY, for a group of students coming down through the halls in any building from such a class disturbs other classes following the regular schedule. Hold your classes until five minutes before the hour. A warning bell is sounded seven minutes before the hour. Classes are not to be dismissed until five minutes before the hour.
