PLEASE BE REMINDED THAT THE MID-SEMESTER EXAMINATIONS are to close Thursday, November 14th and the GRADES are to be turned in at the Registrar's Office Monday, November 18th. Your promptness will enable the office to mail the grades to our patrons promptly.

PRELIMINARY SUMMER TERM BULLETIN COPY WILL SOON BE called for. Please give some thought to the offerings from your department and be ready when the call for copy comes.

THE PERSONNEL COMMITTEE HAS RENDERED VALUABLE SERVICE to the Counselors by furnishing them with data on FAILING students. This should stimulate immediate conferences with these students and an earnest effort to discover the difficulty while there is still time to apply the needed procedure. Some of these students are being referred back to their teachers for further explanation of the course and specific guidance in bringing up the units now "trailing in the intellectual dust".

THE FOLLOWING STUDENTS HAVE BEEN ALLOWED TO DROP ALL courses and should be dropped from the class roll:
