Dr. H. R. Mundhenke has been chosen as "Company Chairman" for T.C.U. and Dean Hall is General Chairman for the Educational Division for the Community Chest Drive. Signing of Pledge Cards starts Tuesday, November 12, first report Thursday. It would be fine for T.C.U. to complete its work this week.

The Chest has furnished several persuasion leaflets to pass out but your T.C.U. Committee chooses to send only one -- assuming our folks will not need much persuasion.

A Committe man will bring your card to you Wednesday or soon thereafter. Your promptness and liberality will be appreciated. A 20% increase over last year is urgently needed and requested.
