THERE HAS BEEN A DELAY IN PREPARATION OF COPY FOR THE preliminary summer term bulletin on account of Dean Hall's absence from the office while attending the annual convention of the Southern Association of Colleges and Secondary Schools. Some of our department heads need to have a conference with him. He will be back Saturday morning. Please have your work in hand for a conference with him at that time, and if you are unable to see him, please leave your copy so far as you can prepare it before his coming, on his desk, that the process of assembling the data may be shortened as far as possible.

WHEN THE PRELIMINARY COPY HAS BEEN AGREED UPON WITH Dean Hall, please hand to the Registrar the full copy that the larger bulletin may be in process of preparation at the earliest possible date. Your help at this time will be appreciated.

YOU MAY BE INTERESTED IN KNOWING THAT THERE IS A WESTERN UNION station in the Bookstore. Messages of all kinds may be sent from this point, including all sorts of special occasion messages. These messages may be filed now and they will be delivered on Christmas or New Year's day as you prefer.

FOR YOUR CONVENIENCE at any time we have an assortment of special occasion blanks. There are special greeting cards for Birthdays, Wedding Anniversaries, Graduation, Election Congratulations, Birth and other special occasion Congratulations. Your Western Union business will be appreciated.

## A TEACHERS CREED

I BELIEVE in the priceless value of human life --

Therefore it shall be my purpose to help release student energy for the noblest living.

I BELIEVE in the principles of activity in education --

Therefore it shall be my aim to open the way for student activity under guidance.

I BELIEVE in the spirit of democracy in education --

Therefore it shall be my desire to avoid dogmatic statements tending toward autocracy.

I BELIEVE in my calling as a sacred trust --

Therefore it shall be my delight to give my best in strength, in mind, in heart to the task.

I BELIEVE in the sacredness of personality --

Therefore it shall be my purpose to acquaint students with the personality of the Master Teacher.

I BELIEVE in the efficacy of real scholarship --

Therefore it shall be my aim to continue my own studies that I may teach with increasing effectiveness.
