Dear Amon:

Enclosed are two suggestions as to the make-up for the letters necessary to release the plaster. They are probably not exactly what you want but this is an idea.

Roman Bronze will pick up the plaster at any time, all I have to do is notify them when I am going out.

It was nice to see you and Mrs. Carter even though it was only for a minute. Many thanks for everything.

Sincerely,

*Louise Raymond*

Dear Mrs. Raymond:

Inasmuch as I have not yet decided whether or not to have an additional bronze cast made of my model of Will Rogers I would like to have the plaster model placed in storage pending my decision.

Will you please arrange to have the entire model placed in storage where it will be safe from any possible accidents or harmful atmosphere.

I am enclosing a letter to Bedi-Rassy Art Foundry, 227-231 India Street, Greenpoint, Brooklyn, New York, instructing them to turn the model over to you.

With best wishes,

Signed
