CHAMBER OF COMMERCE

CLAREMORE, OKLAHOMA

August 30, 1950

Mr. Amon Carter
Fort Worth, Texas

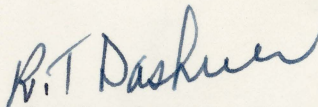

Dear Mr. Carter:

The Will Rogers Round Up Club of Claremore always takes an active part in the Will Rogers' Day program on November 4th. We understand that there will be a special feature this year on November 4th dedicating the unveiling of your great statue "Soapsuds".

The Will Rogers Round Up Club wishes to cooperate with you in making Will Rogers' Day this year something to be remembered for a long while. It is our intention to fit our part of the program in with whatever you have in mind for the proper ceremony at the unveiling of the statue.

As soon as we hear from you we will arrange for our Round Up Club to go to work to make Will Rogers' Day a fitting occasion for commemorating "Soapsuds". We feel like you have done a wonderful thing in providing this lasting tribute to Will Rogers.

Very truly yours,

R. T. Dashner, President
Will Rogers Round Up Club
