

Mr Amos Carter

Sept 1st 1957

Enclosed is a stereo-optical photo of the Will Rogers painting which I wrote to you ~~about~~ at the suggestion of Leo Carrillo.

Suggest using a Stereo-Viewer to get best results.

I would appreciate your returning photo should you not be interested.

Since writing you, Will Jr, expressed his opinion as all others have, that this is the best work of Will Rogers.
I am anxious to show you this painting over

as Mr. Leo Carrillo and the Rogers family have
told me you were an intimate friend of Rogers
and have taken an permanent interest in
perpetuating his memory.

Sincerely yours

Marie Morrison
