Mr. Amon G. Carter, Jr.  
The TELEGRAM  
Fort Worth

Dear Mr. Carter :

October 15 is the Dedication Day in Anadarko  
at the INDIAN HALL OF FAME for FAMOUS AMERICAN  
INDIANS at about ten a.m.

We hope that you will reserve this day to come  
to Anadarko , be introduced and make three or  
four minutes of remarks during the ceremony .  
We hope too that you will include others of your  
family and Foundation and friends.

At this same time bronze busts of Pocahontus and  
Sequoyah will be installed . The program will be  
under direction of our President Miss Muriel H. Wright,  
one of Oklahoma's most able Historians .

We will also invite Electra Waggoner to be present  
to be introduced .

The Hall of Fame is not yet as elaborate as we hope  
it will be in years to come but as we proceed we  
are trying for quality . We are presently using  
concrete bases but we intend within the next two  
years to have all the busts supported on granite .

We will be highly honored to have you come .

Yours very truly,

  
Joe W. McBride
