Dear Mr. McBride:

Your letter has been received advising that October 15 has been set as the Dedication Day in Anadarko at the INDIAN HALL OF FAME for FAMOUR AMERICAN INDIANS.

It is with sincere regret that I must advise that other commitments made will make it impossible for me to be there for this dedication.

Please express my thanks and appreciation to the committee as well as my regrets at not being able to be present.

Sincerely,

P r e s i d e n t
